FASTING AND ABSTINENCE

Given the current restrictions in place, traditional practices such as attending daily Mass during Lent, Stations of the Cross, etc. are not possible at this time. The current pandemic restrictions will force us once again to fast from many Lenten traditions and we offer these sacrifices in addition to our prayers for those who are sick and those who have died, as part of our Lenten journey. The document below does, however, offer some helpful reminders regarding fasting and abstinence as we prepare for Lent.

Decree No. 8, approved by the Conference of Catholic Bishops.

- All Catholics are reminded of their obligation to do penance; this obligation comes from the divine law itself. However, to be joined in a common observance of penance, penitential days are prescribed in which the faithful in a special way pray, exercise works of piety and charity, and deny themselves by fulfilling their responsibilities more faithfully and especially by observing fast and abstinence from meat.
- Ash Wednesday and Good Friday are obligatory days of fasting and abstinence for Catholics. In addition, Fridays during Lent are obligatory days of abstinence.
- For members of the Latin Catholic Church, the norms on fasting are obligatory from age 18 until age 59. When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding upon members of the Latin Catholic Church from age 14 onwards.
- Fridays are penitential days. However, instead of observing the universal law of abstinence from meat on Fridays, Catholics may substitute special acts of charity or piety on this day. The decree of the Episcopal Conference does not specify which particular acts of piety or charity are to be performed on Fridays; this is left to each Catholic to determine. The diocesan bishop may dispense from all or some of the specific provisions of this decree, if by so doing he would contribute to the spiritual well-being of the faithful.
- Those who are taking medicines etc. that require food, or operating machinery, driving, etc. are not to put themselves in any form of risk by fasting.
