Humanitarian Relief – Nepal and Colombia

Two significant natural disasters in recent days have resulted in tremendous loss of life, widespread destruction and the displacement of thousands of people in both **Nepal and Colombia**.

On August 26, catastrophic flash flooding and mudslides struck Nepal following a massive glacial and rock collapse near the Nepal-China border. Communities along the Bhotekoshi and Trishuli river systems have been devastated, with homes, roads, bridges and other critical infrastructure destroyed. More than 900 people have died and thousands remain missing as search, rescue and relief efforts continue.

Earlier this month, on August 10, a magnitude 7.4 earthquake struck western Colombia, with its epicentre near San José del Palmar. The earthquake caused widespread destruction across several regions of the country. More than 330 people have died, thousands have been injured and hundreds of thousands of people have been affected. Homes, schools, health facilities and other essential infrastructure have sustained significant damage.

Those wishing to help may do so through the parish, making cheques payable to:

Name of Parish – Humanitarian Relief – Nepal Mudslides or Humanitarian Relief – Colombia Earthquake.

There are also Humanitarian Relief Envelopes available along the wall pockets.

Thank you for your generosity and support.
